

Post Graduation Activities

# *Class of 2014*

Prepared by the Career Center

August 5, 2015

Dear Members of the TCNJ Campus Community:

The following is a report detailing the post-graduation activity of the Class of 2014. Individuals who completed a degree at December 2013 and May 2014 were contacted to complete the survey in a variety of methods (electronically, telephone and U.S. Mail).

67% (922/1382) was collected on the class of 2014 through the one year out survey, the Center for Institutional Effectiveness, the School of Business exit survey, School of Engineering exit survey, School of Arts & Communication exit survey and National Admissions Clearinghouse service. Some of the interesting outcomes involve:

- As a result of the information obtained, 777 provided both graduate school and employment information. 95.8% reported they were employed and/or attending graduate/professional school. Of the respondents 4.2% were not working or attending graduate/professional school.
- Beyond TCNJ the top graduate schools students are attending are Rutgers University, Rowan University, Columbia University, Seton Hall University, and University of Pennsylvania.
- The top employers included Deloitte, JPMorgan Chase, Johnson & Johnson as well as Lockheed Martin.
- The average salary for graduates of 2014 is \$46,415.
- While attending TCNJ the class of 2014 continues to have more than one internship experience with 70% participating in an internship for 2 or more semesters.

To provide you with a full picture of what has happened to our graduates, information has been further analyzed overall and by school. Data includes employment, graduate/professional school and salary.

A special thanks go to the academic departments in particular Dr. Jean Kirnan and Madeline Anthes from the Psychology Department, student employees - Disha Dass (Psychology, August 2015), Poonam Kotak (International Studies, 2017) and Kathleen Figueroa (Early Childhood/Sociology 2015) for their contribution to this process. It is through collaborative efforts that we are all able to achieve our greatest successes.

If you have any questions, feel free to contact me at x2161 or [dkelly@tcnj.edu](mailto:dkelly@tcnj.edu).

Sincerely,

Debra K. Kelly  
Director, Career Center

## Take a look at our 2014 TCNJ Alumni

### Post-Graduation Activity Summary

757/1382 (55%) graduates responded to the survey. In an effort to respond to declining response rates, the Career Center incorporated data obtained through immediate response surveys from the School of Business, the School of Engineering, the School of Arts & Communication and data from the Admissions Clearinghouse. Incorporating these sources, data was obtained on a total of 922/1382 (67%) graduates.

As a result of the information obtained, 777 provided both graduate school and employment information. 95.8% reported they were employed full-time/part-time and/or attending graduate/professional school. Of the respondents 4.2% were not working or attending graduate/professional school.

### Experiential Learning/Internships

54.9% (294/ 653) survey respondents, indicated they had participated in an internship for one or more semesters. Of this group, 70% (206/294) had an internship for 2 or more semesters.

61.4% (217/353) secured at least one semester of a paid internship and 58.2% (206/353) had a least one unpaid internship.

56.7% had indicated an internship for a least one semester for no credit.

31% of respondents indicated their internship experience secured them employment after graduation.

Other experiential opportunities included:

19.6% indicated they had one or more semesters of student teaching; 6.9% indicated they had one or more clinical experiences; 8% indicated participation in MUSE; 23.1% indicated participation in TCNJ sponsored research and 5.7% indicated participation in non-TCNJ sponsored research.

### TCNJ Career Preparation & Graduate Expectations

511 respondents rated how well they felt TCNJ prepared them for their careers. 481 (94%) rated their preparedness between Average and Excellent, and of this group 331 (65%) rated their preparedness between Above Average and Excellent.

**Top Employers** - The Top Employers (based on number of TCNJ Class of '14 graduates hired) were:

- |                          |                                      |                              |
|--------------------------|--------------------------------------|------------------------------|
| 1. Deloitte (6)          | 7. KPMG (5)                          | 12. East Windsor Reg. SD (3) |
| 2. JPMorgan Chase (6)    | 8. West Windsor SD (4)               | 13. Morris Hills SD (3)      |
| 3. Johnson & Johnson (6) | 9. Bank of America/Merrill Lynch (3) | 14. Wells Fargo (3)          |
| 4. Lockheed Martin (6)   | 10. Atlantic Health System (3)       | 15. CohnReznick LLP (3)      |
| 5. TCNJ (6)              | 11. East Brunswick SD (3)            | 16. PwC (3)                  |
| 6. Bloomberg (5)         |                                      |                              |

### Salary Information

The average salary for graduates of the Class of '14 was **\$46,415**. Average salaries by school were:

Schools	A&C	Business	Education	Engineering	HSS	N&HES	Science
Average Salary	\$40,566	\$52,500	\$43,667	\$55,889	\$37,609	\$51,742	\$42,333

The following academic majors, with more than one graduate reporting, had the highest reported average salaries:

1. Computer Eng. (4), \$77,500
2. Finance (37), \$61,250
3. Computer Science (10), \$58,330
4. Chemistry Ed.(3), \$60,000
5. Civil Eng. (4), \$55,769
6. Nursing (6), \$55,000
7. Accountancy (28), \$53,593
8. Mechanical (14), \$54,107
9. Economics (13), \$51,731
10. Math Ed (10), \$51,500

### Graduate School Summary

Of the 777 survey and clearinghouse respondents, 314 (40%) indicated they attended graduate school within the first year. 42% of respondents indicated they were not attending graduate/professional school and 17% were undecided regarding attending.

The Top Graduate/Professional Schools (based on number of TCNJ Class of '14 graduates in attendance) were:

- |                              |                                     |                                      |
|------------------------------|-------------------------------------|--------------------------------------|
| 1. TCNJ (57)                 | 6. Temple University (9)            | 11. SUNY College of Opt. (5)         |
| 2. Rutgers University (49)   | 7. University of Pennsylvania (8)   | 12. George Washington University (4) |
| 3. Rowan University (13)     | 8. Thomas Jefferson University (6)  | 13. Monmouth University (4)          |
| 4. Columbia University (10)  | 9. CUNY Grad. Sch. & Univ. Ctr. (5) | 14. NJIT (4)                         |
| 5. Seton Hall University (9) | 10. Drexel University (5)           |                                      |

## Class of 2014

In an effort to respond to declining response rates, the Career Center incorporated data obtained through immediate response surveys from the School of Business, the School of Engineering, the School of Arts & Communication and data from the Admissions Clearinghouse. Incorporating these sources, data was obtained from a total of 922/1382 (67%) graduates.

### Graduating Class by Academic School

	School							
	Arts & Comm.	Business	Education	Engineering	HSS	Nursing & HES	Science	Total
Frequency	158	248	147	121	378	105	225	1,382
Percent	11%	18%	11%	9%	27%	8%	16%	100%

Of the academic schools:

- 97 (61%) Arts & Communication graduates responded to the surveys;
- 164 (66%) Business graduates responded to the surveys;
- 112 (76%) Education graduates responded to the surveys;
- 87 (72%) Engineering graduates responded to the surveys;
- 230 (61%) Humanities & Social Sciences graduates responded to the surveys;
- 63 (60%) Nursing & Health Exercise Science graduates responded to the surveys;
- 169 (75%) Science graduates responded to the surveys.

### POST GRADUATION ACTIVITY

As a result of the information obtained, 777 provided both graduate school and employment information. 95.8% reported they were employed full-time/part-time and/or attending graduate/professional school. Of the respondents 4.2% were not working or attending graduate/professional school.

#### Employment

Of the 922 survey respondents, 645 provided us with employment information. Of them, 534 (83%) indicated they were working in the first year after graduation. 111 indicated that they were not employed, but of them, 85 (77%) were either attending graduate school.

Of the 534 employed graduates:

- 457 (86%) specified that they were employed full time. Of them, 82% (377/457) were *not* seeking further employment.
- 77 (14%) specified that they were employed part time. Of them, 49% (38/77) were *not* seeking further employment.

Of the 26 truly unemployed (not actively working or attending graduate school), 17 (21%) indicated that they were searching for jobs.

#### Employment Type

Of the 534 graduates that are employed, 514 (96%) provided the type of organization in which they work. 65% (349/534) of the respondents indicated they were working For-Profit; 13% (68/534) indicated they were working for Non-Profit, 17% (89/534) indicated they were working for the Government and 1% (8/534) were Self-Employed.

Students pursue occupations in a variety of variety of functions. Of the 457 full-time employed graduates, 441 (96%) indicated that they worked in the following areas:

- |                          |                                   |                            |
|--------------------------|-----------------------------------|----------------------------|
| 15 (3%) in Arts          | 29 (7%) in Health and Nursing     | 30 (7%) in Research        |
| 153 (35%) in Business    | 1 (0%) in Hospitality             | 6 (1%) in Retail           |
| 32 (7%) in Communication | 10 (2%) in Information Technology | 23 (6%) in Other Functions |
| 93 (21 %) in Education   | 5 (1%) in Law Related Functions   |                            |
| 34 (8%) in Engineering   | 10 (2%) in Non Profit             |                            |

### **Average Salaries**

Of the 457 graduates who indicated that they are currently employed full time, 442 (97%) provided their salary information. All salary information is calculated based on student responses to a range of salary values from \$19,999 and less to \$85,000 and more. The range utilizes \$5,000 intervals. The average reported salary for the respondents was \$46,415. This is close to but slightly higher than the Class of 2013 reported average of \$45,999.

### **Work Locations**

Of the 457 graduates that work full time, 441 (96%) provided the location of their employment. The top states for work location were New Jersey with 294 (67%) graduates, New York with 63 (14%) graduates, and Pennsylvania with 33 (7%) graduates. The 51 remaining graduates are working in the following locations, 8 of which are outside of the country: California (10), Connecticut (4) Colorado (3), Delaware (3), North Carolina (3), Georgia (2), Illinois (2) Michigan (2), Texas (2), Utah (2), Wisconsin (2), Arizona (1) Florida (1), Indiana (1), Maryland (1), Massachusetts (1), Missouri (1), South Carolina (1), Washington (1), Dominican Republic (2), Spain (2), Colombia (1), England (1), Nicaragua (1), Qatar (1).

### **Number of Job Offers**

Of the 457 graduates that are currently employed full time, 447 provided information regarding the number of job offers they received. 252 (56%) received two or more job offers. This has stayed consistent with the Class of 2013.

### **Academic Major and Position Obtained**

Of the 457 graduates that are currently employed full time, 438 provided information regarding the relationship between their undergraduate major and their current position. Of those 438:

- 286 (65%) respondents indicated a direct relationship between their academic major and the position they obtained.
- 117 (27%) respondents indicated an indirect relationship between their academic major and the position they obtained.
- 35 (8%) respondents indicated there was no relationship between their academic major and the position they obtained.

### **Experiential Learning/Internship Participation**

45% (294/ 653) survey respondents, indicated they had participated in an internship for one or more semesters. Of this group, 70% (206/294) had an internship for 2 or more semesters. 61.4% (217/353) secured at least one semester of a paid internship and 57.2% (206/353) had a least one internship without pay but for credit. 56.7% had indicated an internship for a least one semester for no credit. 31% of respondents indicated their internship experience secured them employment after graduation.

Other experiential opportunities respondents indicated involvement in:

- 19.6% indicated they had one or more semesters of student teaching; 6.9% indicated they had one or more clinical experiences; 8% indicated participation in MUSE; 23.1% indicated participation in in TCNJ sponsored research and 5.7% indicated participation in non-TCNJ sponsored research.

### **Career Center Services**

197 respondents stated which career center resources and/or services were used. Respondents reported 52% use of the resume critique service, 50% participated in a career workshop, 44% used LionsLink, 42% used on-line or office resources, 39% attended career fairs and networking events, 39% participated in the on-campus interview program, 31% used internship contacts and resources, 28% attended individual career counseling sessions, 14% participated in a mock interview and 13% gained information on graduate/professional school.

### **Activity Involvement**

680 respondents answered what organizations they spent time while attending undergraduate school. The top 5 responses involved areas: 65% (443/680) participated in student organizations; 48% (325/680) participated in student employment; 39% (266/680) participated in athletics, 27% (186/680) sorority/fraternity Life and 25% (169/680) community engagement. Other responses involved 16% (61/680) in Global Engagement, 12% (82/680) involved in Music/ Fine Arts, 11% (77/680) in Residential Education, 8% (37/680) involved in Leadership and 4% (25/680) in Bonner.

62% (388/625) believed they participated as a leader within their area of interest or organization.

652 respondents self-reported either agreed or strongly agreed, they gained the following leadership skillsets from their campus involvement.

- 91% (596/652) Ability to present information to others;
- 90% (584/652) Ability to Communicate with others;

- 87% (566/652) Ability to execute a plan;
- 86% (558/652) Ability to manage time; and
- 80% (521/652) Managed group time effectively.

### TCNJ's Preparation of Students for Their Careers

Of the 457 students that are employed full time, 438 (96%) rated how they felt TCNJ prepared them for their careers based on a 5-point Likert scale (Poor = 1, Excellent = 5). 82% reported career preparedness to be above average or excellent.

Reported Preparedness for Career							
	Poor	Below Average	Average	Above Average	Excellent	Total	Mean Score
Frequency	5/604 (1%)	12/604 (2%)	91/604 (15%)	277/604 (46%)	219/604 (36%)	604	3.87

### Graduate/Professional School

#### Current Graduate/Professional School Attendance

Of the 922 survey respondents, 777 provided us with graduate school information through the survey or through Clearinghouse. Of them, 314 (26%) indicated they are currently attending graduate school or are accepted and will attend. 152 respondents provided the number of programs they were accepted. 64% of the respondents indicated they received 2 or more offers.

- 36% (55/152) received one acceptance to graduate/professional school;
- 15% (23/152) received two acceptances to graduate/professional school;
- 23% (35/152) received three acceptances to graduate/professional school;
- 10% (15/152) received four acceptances to graduate/professional school;
- 16% (24/152) received five or more acceptances to graduate/professional school.

#### Future Plans for Graduate Study

Of the 777 survey respondents, 110 (14%) indicated whether or not they had plans for future graduate study. Their plans to attend graduates school and when are listed in the table below:

Future Plans for attending Graduate/Professional School					
	No plans to attend now or in the future	Plan to attend within 2 years	Plan to attend within 4 years	Plan to attend within 6 years	Total
Frequency	66 (60%)	16 (15%)	18 (16%)	10 (9%)	110

#### Degrees Being Sought in the Future

Of the 922 survey respondents, 155 (17%) indicated that they were considering pursuing additional degrees in the future, even if they didn't have current plans on attending graduate school. Those degrees are listed in the table below:

Desired Additional Degrees								
	Medical Doctorate (i.e. MD, DO, DVM, DDS)	Certificate	Law Degree (i.e. LLB, JD)	Masters Degree (i.e. MA, MS, etc.)	Doctoral Degree (i.e. PhD, PsyD, DBA, etc.)	Dual Program	Other	Total
Frequency	24 (15%)	1 (0%)	20 (13%)	76 (49%)	32 (21%)	1 (0%)	1 (0%)	155

### TCNJ's Preparation of Students for Graduate/Professional School

Of the 314 students that reported they were attending graduate/professional school, 152 (48%) rated how well they felt TCNJ had prepared them for it. Their ratings, based on a 5-point Likert scale (Poor = 1, Excellent = 5), can be seen in the table below:

Reported Preparedness for Graduate/Professional School							
	Poor	Below Average	Average	Above Average	Excellent	Total	Mean Rating
Frequency	1 (0%)	3 (2%)	35 (23%)	59 (39%)	54 (36%)	152	4.07

### Major and Program Relationship

Of the 155 respondents who answered the question of the graduate/professional school was directly, indirectly or not related to their field of undergraduate study.

63% (98/155) stated their graduate/professional program was directly related to their undergraduate field of study.

32% (49/155) stated their graduate/professional program was indirectly related to their undergraduate field of study.

5% (8/155) stated their graduate/professional program was not related to their undergraduate field of study.

### Graduate/Professional School & Assistance

Of the 155 respondents who answered the question, whether they are receiving financial assistance 59% (91/155) said yes to receiving financial assistance and 41% (64/155) stated they were not receiving financial assistance. 88 respondents addressed the type of assistance received.

41% (36/88) received partial tuition reimbursement;

48% (42/88) received full tuition reimbursement;

34% (30/88) received medical benefits;

22% (20/88) received an hourly rate position;

8% (7/88) received \$5000 or less stipend;

49% (43/88) received more than a \$5000.00 stipend;

14% (12) received travel advantages.

### Satisfaction with Academic Experience

Of the 922 survey respondents, 604 (66%) reported their satisfaction with the overall quality of their academic experience at TCNJ based on a 5-point Likert scale (Poor = 1, Excellent = 5).

Reported Satisfaction with Academic Experience							
	Poor	Below Average	Average	Above Average	Excellent	Total	Mean Rating
Frequency	5 (1%)	12 (2%)	91 (15%)	277 (46%)	219 (33%)	604	4.15

# *Individual School Reports*

## Class of 2014 – School of Arts & Communication Post-Graduation Activity

### Employment

61% (97/158) of School of Arts & Communication completed the surveys. Of the 76 respondents, 68 (89%) indicated that they are currently employed full-time or part-time.

### Function of Employment

67 graduates specified which functions their careers fell into:

18 (27%) in Arts	11 (16%) in Education
5 (7%) in Business	1 (2%) in Engineering
21 (31%) in Communications	2 (3%) in Retail
1 (2%) in Information Technology	8 (12%) in Other Fields

### Average Salaries

53 graduates who were employed full-time provided their salary information based on a range from “\$19,999 and under” to “\$85,000 and more” with \$5,000 intervals. The average salary for these graduates was \$40,566.

### Number of Job Offers

Of the 72 respondents who provided information about job offers, 39 received more than one job offer.

### Primary Major and Position Obtained

Of the 66 respondents, 60 (91%) indicated that their major was directly or indirectly related to their obtained position.

### Internship Participation

47 respondents participated in an internship for at least one semester during their time at TCNJ, while 31 of them participated in internships for two or more semesters.

### Graduate/Professional School

14 respondents indicated that they were currently attending graduate school.

### Future Plans for Study

2 graduates indicated that they had plans for beginning graduate school in the next few years:

- 1 plans to attend graduate school within 2 years.
- 1 plans to attend graduate school within 6 years.

### Degrees Being Sought

59 graduates indicated that they were planning on (if not actively) pursuing further degrees in the future:

- 8 are/will be seeking a Bachelor’s Degree.
- 1 is/will be seeking a Certificate.
- 38 are/will be seeking Master’s Degrees.
- 3 are/will be seeking a Professional Degree.
- 5 are/will be seeking Doctoral Degrees.
- 4 are/will be seeking another degree.

### Career/Graduate Preparedness and Academic Satisfaction

Respondents rated how well they felt TCNJ prepared them for their career and graduate/professional school, and their satisfaction with their academic experience at TCNJ. Their ratings were based on a 5-point Likert scale (1 = Poor, 5 = Excellent):

	Poor	Below Average	Average	Above Average	Excellent	Total	Average Rating
Career	1	7	23	27	8	66	3.52
Graduate School	0	0	1	2	3	6	4.33
Academic Satisfaction	0	2	22	35	14	73	3.84

## Class of 2014 – School of Business Post-Graduation Activity

### Employment

66% (164/248) of School of Business completed the surveys. Of the 137 respondents, 132 (96%) indicated that they are currently employed full-time or part-time.

### Function of Employment

131 graduates specified which functions their careers fell into:

1 (<1%) in Arts	2 (2%) in Law/Law Related
113 (85%) in Business	2 (2%) in Research
4 (3%) in Communications	3 (2%) in Retail
2 (2%) in Information Technology	2 (2%) in Other fields
2 (2%) in Education	

### Average Salaries

126 graduates who were employed full-time provided their salary information based on a range from “\$19,999 and under” to “\$85,000 and more” with \$5,000 intervals. The average salary for these graduates was \$52,500.

### Number of Job Offers

Of the 132 respondents who provided information about job offers, 82 received more than one job offer.

### Primary Major and Position Obtained

Of the 128 respondents, 122 (95%) indicated that their major was directly or indirectly related to their obtained position.

### Internship Participation

105 respondents participated in an internship for at least one semester during their time at TCNJ, while 71 of them participated in internships for two or more semesters.

### Graduate/Professional School

15 respondents indicated that they were currently attending graduate school.

### Future Plans for Study

22 graduates indicated that they had plans for beginning graduate school in the next few years:

- 3 plan to attend graduate school within 2 years.
- 15 plan to attend graduate school within 4 years.
- 4 plan to attend graduate school within 6 years.

### Degrees Being Sought

113 graduates indicated that they were planning on (if not actively) pursuing further degrees in the future:

- 11 are/will be seeking a Bachelor’s Degree.
- 9 are/will be seeking a Certificate.
- 69 are/will be seeking Master’s Degrees.
- 8 are/will be seeking a Professional Degree.
- 8 are/will be seeking Doctoral Degrees.
- 1 is/will be completing a Dual Program.
- 7 are/will be seeking another degree.

### Career/Graduate Preparedness and Academic Satisfaction

Respondents rated how well they felt TCNJ prepared them for their career and graduate/professional school, and their satisfaction with their academic experience at TCNJ. Their ratings were based on a 5-point Likert scale (1 = Poor, 5 = Excellent):

	Poor	Below Average	Average	Above Average	Excellent	Total	Average Rating
Career	0	5	34	60	29	128	3.88
Graduate School	0	0	1	5	3	9	4.22
Academic Satisfaction	1	1	17	70	44	133	4.17

## Class of 2014 – School of Education Post-Graduation Activity

### Employment

76% (112/147) of School of Education completed the surveys. Of the 63 respondents, 53 (84%) indicated that they are currently employed full-time or part-time.

### Function of Employment

51 graduates specified which functions their careers fell into:

50 (98%) in Education

1 (2%) in Other fields

### Average Salaries

45 graduates who were employed full-time provided their salary information based on a range from “\$19,999 and under” to “\$85,000 and more” with \$5,000 intervals. The average salary for these graduates was \$43,667.

### Number of Job Offers

Of the 54 respondents who provided information about job offers, 24 received more than one job offer.

### Primary Major and Position Obtained

Of the 50 respondents, 50 (100%) indicated that their major was directly or indirectly related to their obtained position.

### Internship Participation

17 respondents participated in an internship for at least one semester during their time at TCNJ, while 14 of them participated in internships for two or more semesters.

### Graduate/Professional School

48 respondents indicated that they were currently attending graduate school.

### Future Plans for Study

3 graduates indicated that they had plans for beginning graduate school in the next few years:

2 plan to attend graduate school within 2 years.

1 plans to attend graduate school within 4 years.

### Degrees Being Sought

51 graduates indicated that they were planning on (if not actively) pursuing further degrees in the future:

2 are/will be seeking a Bachelor’s Degree.

2 are/will be seeking a Certificate.

40 are/will be seeking Master’s Degrees.

7 are/will be seeking Doctoral Degrees.

### Career/Graduate Preparedness and Academic Satisfaction

Respondents rated how well they felt TCNJ prepared them for their career and graduate/professional school, and their satisfaction with their academic experience at TCNJ. Their ratings were based on a 5-point Likert scale (1 = Poor, 5 = Excellent):

	Poor	Below Average	Average	Above Average	Excellent	Total	Average Rating
Career	0	0	9	23	18	50	4.18
Graduate School	0	0	5	7	2	14	3.79
Academic Satisfaction	0	0	8	22	26	56	4.32

## Class of 2014 – School of Engineering Post-Graduation Activity

### Employment

72% (87/121) of School of Engineering completed the survey. Of the 59 respondents, 50 (85%) indicated that they are currently employed full-time or part-time.

### Function of Employment

45 graduates specified which functions their careers fell into:

2 (5%) in Business	1 (2%) in Research
1 (2%) in Information Technology	1 (2%) in Retail
2 (5%) in Education	3 (6%) in Other fields
35 (78%) in Engineering	

### Average Salaries

45 graduates who were employed full-time provided their salary information based on a range from “\$19,999 and under” to “\$85,000 and more” with \$5,000 intervals. The average salary for these graduates was \$55,889.

### Number of Job Offers

Of the 52 respondents who provided information about job offers, 25 received more than one job offer.

### Primary Major and Position Obtained

Of the 44 respondents, 41 (93%) indicated that their major was directly or indirectly related to their obtained position.

### Internship Participation

33 respondents participated in an internship for at least one semester during their time at TCNJ, while 21 of them participated in internships for two or more semesters.

### Graduate/Professional School

29 respondents indicated that they were currently attending graduate school.

### Future Plans for Study

3 graduates indicated that they had plans for beginning graduate school in the next few years:

- 2 plan to attend graduate school within 2 years.
- 1 plans to attend graduate school within 6 years.

### Degrees Being Sought

51 graduates indicated that they were planning on (if not actively) pursuing further degrees in the future:

- 4 are/will be seeking a Bachelor’s Degree.
- 3 are/will be seeking a Certificate.
- 32 are/will be seeking Master’s Degrees.
- 3 are/will be seeking a Professional Degree.
- 6 are/will be seeking Doctoral Degrees.
- 3 are/will be seeking another degree.

### Career/Graduate Preparedness and Academic Satisfaction

Respondents rated how well they felt TCNJ prepared them for their career and graduate/professional school, and their satisfaction with their academic experience at TCNJ. Their ratings were based on a 5-point Likert scale (1 = Poor, 5 = Excellent):

	Poor	Below Average	Average	Above Average	Excellent	Total	Average Rating
Career	2	0	13	22	7	44	3.73
Graduate School	0	1	6	4	3	14	3.64
Academic Satisfaction	2	2	8	29	12	53	3.89

## Class of 2014 – School of Humanities & Social Sciences Post-Graduation Activity

### Employment

61% (230/378) of School of Humanities and Social Sciences completed the survey. Of the 149 respondents, 104 (70%) indicated that they are currently employed full-time or part-time.

### Function of Employment

100 graduates specified which functions their careers fell into:

1 (1%) in Arts	3 (3%) in Law/Law Related
28 (28%) in Business	4 (4%) in Non-Profit
9 (9%) in Communications	5 (5%) in Research
1 (1%) in Information Technology	5 (5%) in Retail
28 (28%) in Education	1 (1%) in Social Services
1 (1%) in Hospitality/Food Services	14 (14%) in Other fields

### Average Salaries

69 graduates who were employed full-time provided their salary information based on a range from “\$19,999 and under” to “\$85,000 and more” with \$5,000 intervals. The average salary for these graduates was \$37,609.

### Number of Job Offers

Of the 117 respondents who provided information about job offers, 52 received more than one job offer.

### Primary Major and Position Obtained

Of the 102 respondents, 64 (63%) indicated that their major was directly or indirectly related to their obtained position.

### Internship Participation

95 respondents participated in an internship for at least one semester during their time at TCNJ, while 45 of them participated in internships for two or more semesters.

### Graduate/Professional School

105 respondents indicated that they were currently attending graduate school.

### Future Plans for Study

11 graduates indicated that they had plans for beginning graduate school in the next few years:

- 6 plan to attend graduate school within 2 years.
- 2 plan to attend graduate school within 4 years.
- 3 plan to attend graduate school within 6 years.

### Degrees Being Sought

128 graduates indicated that they were planning on (if not actively) pursuing further degrees in the future:

- 7 are/will be seeking a Bachelor’s Degree.
- 3 are/will be seeking a Certificate.
- 70 are/will be seeking Master’s Degrees.
- 18 are/will be seeking a Professional Degree.
- 27 are/will be seeking Doctoral Degrees.
- 1 is/will be completing a Dual Program.
- 2 are/will be seeking another degree.

### Career/Graduate Preparedness and Academic Satisfaction

Respondents rated how well they felt TCNJ prepared them for their career and graduate/professional school, and their satisfaction with their academic experience at TCNJ. Their ratings were based on a 5-point Likert scale (1 = Poor, 5 = Excellent):

	Poor	Below Average	Average	Above Average	Excellent	Total	Average Rating

## Class of 2014 – School of Nursing, Health, & Exercise Science Post-Graduation Activity

### Employment

60% (63/105) of School of Nursing, Health, and Exercise Science completed the survey. Of the 51 respondents, 44 (86%) indicated that they are currently employed full-time or part-time.

### Function of Employment

41 graduates specified which functions their careers fell into:

5 (12%) in Education  
1 (2%) in Engineering

31 (76%) in Health/Nursing  
4 (10%) in Other fields

### Average Salaries

33 graduates who were employed full-time provided their salary information based on a range from “\$19,999 and under” to “\$85,000 and more” with \$5,000 intervals. The average salary for these graduates was \$51,742.

### Number of Job Offers

Of the 41 respondents who provided information about job offers, 19 received more than one job offer.

### Primary Major and Position Obtained

Of the 41 respondents, 39 (95%) indicated that their major was directly or indirectly related to their obtained position.

### Internship Participation

23 respondents participated in an internship for at least one semester during their time at TCNJ, while 5 of them participated in internships for two or more semesters.

### Graduate/Professional School

16 respondents indicated that they were currently attending graduate school.

### Future Plans for Study

1 graduate indicated that they had plans for beginning graduate school in the next few years:

1 plans to attend graduate school within 2 years.

### Degrees Being Sought

45 graduates indicated that they were planning on (if not actively) pursuing further degrees in the future:

- 1 is/will be seeking a Bachelor’s Degree.
- 1 is/will be seeking a Certificate.
- 26 are/will be seeking Master’s Degrees.
- 3 are/will be seeking a Professional Degree.
- 11 are/will be seeking Doctoral Degrees.
- 2 are/will be completing a Dual Program.
- 1 is/will be seeking another degree.

### Career/Graduate Preparedness and Academic Satisfaction

Respondents rated how well they felt TCNJ prepared them for their career and graduate/professional school, and their satisfaction with their academic experience at TCNJ. Their ratings were based on a 5-point Likert scale (1 = Poor, 5 = Excellent):

	Poor	Below Average	Average	Above Average	Excellent	Total	Average Rating

Academic Satisfaction	1	0	8	20	19	48	4.17

## Class of 2014 – School of Science Post-Graduation Activity

### Employment

75% (169/225) of School of Science completed the survey. Of the 110 respondents, 83 (75%) indicated that they are currently employed full-time or part-time.

### Function of Employment

80 graduates specified which functions their careers fell into:

1 (1%) in Arts	5 (6%) in Health
13 (16%) in Business	1 (1%) in Non-Profit
6 (8%) in Information Technology	24 (30%) in Research
18 (23%) in Education	1 (1%) in Retail
1 (1%) in Engineering	10 (13%) in Other fields

### Average Salaries

71 graduates who were employed full-time provided their salary information based on a range from “\$19,999 and under” to “\$85,000 and more” with \$5,000 intervals. The average salary for these graduates was \$42,333.

### Number of Job Offers

Of the 89 respondents who provided information about job offers, 47 received more than one job offer.

### Primary Major and Position Obtained

Of the 80 respondents, 76 (95%) indicated that their major was directly or indirectly related to their obtained position.

### Internship Participation

39 respondents participated in an internship for at least one semester during their time at TCNJ, while 19 of them participated in internships for two or more semesters.

### Graduate/Professional School

87 respondents indicated that they were currently attending graduate school.

### Future Plans for Study

4 graduates indicated that they had plans for beginning graduate school in the next few years:

- 1 plans to attend graduate school within 2 years.
- 2 plan to attend graduate school within 4 years.
- 1 plans to attend graduate school within 6 years.

### Degrees Being Sought

98 graduates indicated that they were planning on (if not actively) pursuing further degrees in the future:

- 3 are/will be seeking a Bachelor’s Degree.
- 27 are/will be seeking Master’s Degrees.
- 21 are/will be seeking a Professional Degree.
- 38 are/will be seeking Doctoral Degrees.
- 1 is/will be completing a Dual Program.
- 8 are/will be seeking another degree.

### Career/Graduate Preparedness and Academic Satisfaction

Respondents rated how well they felt TCNJ prepared them for their career and graduate/professional school, and their satisfaction with their academic experience at TCNJ. Their ratings were based on a 5-point Likert scale (1 = Poor, 5 = Excellent):

## Science

Major	Graduate/Professional School	Program/School
Bio 7	SUNY College of Optometry	Optometry
Bio 7	Rutgers University	Biomedical
Bio 7	Rutgers University -Biomedical	Biomedical
Bio 7 Med	Rutgers University	Biomedical
Bio 7 Med	Rutgers University	Biomedical
Bio 7 Med	Rutgers University	Biomedical
Bio 7 Med	Rutgers University	Biomedical
Bio 7 Opt	SUNY College of Optometry	
Bio 7 Opt	SUNY College of Optometry	
Bio 7 Opt	SUNY College of Optometry	Doctorate of Optometry
Bio 7 Opt	SUNY College of Optometry	Optometry
Biology	University of Pennsylvania	PhD Cell-Molecular Biology
Biology	University of Michigan	
Biology	TCNJ	MAT STEM
Biology	Thomas Jefferson University	
Biology	Albert Einstein College of Medicine	MD
Biology	Tufts University	
Biology	Rowan University- Osteopathic Medicine	
Biology	Rutgers University	Biomedical
Biology	Rutgers University	Biomedical
Biology	University of California - Los Angeles	Program in Biosciences
Biology	Rutgers University	Biomedical
Biology	NJMS	MD
Biology	Thomas Jefferson University	MD
Biology	Virginia Polytech and Sate University	
Biology	New York College of Podiatric Medicine	DPM

Biology	Rutgers University	Biomedical
Biology	Thomas Jefferson University	Physician Assistant Studies
Biology	Rowan University	
Biology	Thomas Jefferson University	Cell & Developmental Biology
Biology	Rutgers University School of Dental Medicine	DMD
Biology	Tulane University School of Public Health and Tropical Medicine	MPH Epidemiology
Biology	Emory University	
Biology	Columbia University College of Physicians and Surgeons	Physical Therapy
Biology	Philadelphia College of Osteopathic Medicine	Osteopathic Medicine
Biology	University of Virginia	
Biology	George Washington University	MPH
Biology	University of South Florida	
Biology	USF Morsani College of Medicine	Medicine
Biology	Salus University	
Biology	New York College of Podiatric Medicine	Doctor of Podiatric Medicine, DPM
Biology	Rowan University	
Biology	Rowan University-School of Osteopathic Medicine	Osteopathic Medicine
Biology	Yale University	Ecology and Evolutionary Biology
Biology	Rutgers University, RWJ Med School	
Biology	Case Western University	
Biology	Montclair University	
Biology	Rowan University-SOM	DO
Biology	Yale University	
Biology	Rutgers University	Biomedical
Biology	University of Pennsylvania	Chemistry
Biology7 Med	Rutgers University	Biomedical
Chemistry	University of North Carolina Chapel Hill	Chemistry
Chemistry	University of Virginia	
Chemistry	Fairleigh Dickinson University - Madison	
Chemistry	Rowan University	
Chemistry	TCNJ	
Chemistry	University of Pennsylvania	
Chemistry	University of Texas at Dallas	PHD
Chemistry	William Paterson University	
Chemistry	Albert Einstein College of Medicine	MD
Chemistry	Temple University	DMD
Chemistry	Albert Einstein College of Medicine	MD
Chemistry	University of Maryland	PhD in Chemistry
Chemistry	Brandeis University	PhD in Chemistry
Chemistry	Rowan University School of Osteopathic Medicine	DO

Chemistry	Rutgers University	Joint Graduate Program in Toxicology
Chemistry	University of Maryland	Chemistry Ph.D
Comp Sci	Columbia University	Computer Science
Comp Sci	University of Maryland	Computer Science
Comp Sci	University of Massachusetts, Amherst,	MS/PhD, Computer Science
Math	Holy Family University	
Math	University of Albany	
Math	Columbia University	
Math	West Chester University	
Math	Stevens Institute of Technology	MS
Physics	Cornell University	Astrophysics
Physics	Rowan University	STEM Ed
Physics	Colorado University Boulder	Astrophysics
Physics	New York University	
Physics	Case Western Reserve University	
Physics	University of Michigan	Physics
Physics	Drexel University	Health Sciences
Physics	NYIT College of Osteopathic Medicine	Osteopathic Medicine
Physics	Georgia State University	Astronomy
Physics	Rowan University
