

THE COLLEGE OF NEW JERSEY
CAREER CENTER

TCNJ Class of 2016

First Year Out Survey Report

Highlights & Engaging in the Possibilities

Our center supports the College's mission by fostering an environment that encourages students' career development through academic, leadership and experiential education. Optimal student collaborations are built and enhanced through meaningful relations with Alumni, employers and representatives of post graduate education. All of our services and events assist in the integrated transformative total student experience and enhance opportunities for mentored internships as well as provide opportunities for students to connect with potential employers, internship supervisors and graduate professional representatives to articulate "their story."

Outcome: #12 Princeton Review [Best Career Services](#) for 2016

Student Contacts

- 12,572 students come in contact with the Career Center (this does not include CE Intern coordination or Student Employment).
- 1,730 students participated in the Career Center for Open Hours (primarily for Resume Review), meeting with trained Peer Educators, Career Counselors or graduate career counseling interns.
- 909 students participated in career counseling appointments. 764 students explore options, skills and values through on-line assessment tools-Focus 2, MBTI or Strong. Satisfaction survey indicates students gain 2 additional resources and the session meets or exceeds expectations.
- Students use a mock interview tool to evaluate the interview. Employers have rated students higher in FY16 from FY 15 in articulating their career goals and experiences.
- 3,237 students participated in 133 workshops or integrated classroom activities. The workshops are on topics such as career exploration, networking , professional development, interviewing skills, internships, utilizing social media, job search skills, use of the on line system, Lionslink/on line resources

Career Days, Site Visits & Networking Events

- 943 students attended the 2 career fairs (Spring and Fall) with 354 representatives from business, non-profit, government and graduate/professional school. National Association of Colleges & Employers (NACE) reported between the 2014-15 and 2015-16 academic years, the median number of organizations participating in career fairs jumped from 125 to 148, an indicator of an improved labor market for new college graduates. TCNJ event participation continues to be higher than the average.
- 320 students attended 1 of the 6 networking events: the Annual Engineering and Computer Science Meet & Greet, PharmaTech Symposium, HSS Networking, Non Profit Networking, Accounting Meet & Greet, Nursing Network and DC Career Day. Approximately, 30% of employers attending networking & recruiting events are TCNJ Alumni.
- 2 site visits involving 20 students visited Sparta Systems, Hamilton NJ and Isles, Trenton NJ gaining insight into the culture, innovation and potential opportunities. 3 students gained internships from this experience
- Each semester the Career Center facilitates an interactive Career Planning course through HSS with 24 students. Student feedback is extremely positive and guest speakers are a mainstay of the course.
- 121 students attend a business etiquette program, **Dining Out In Professional Style**. A consultant walks us through a 4 course meal while representatives from industries keep a lively conversation at the tables. Students leave with 1-2 new tips or strategies for the interview over lunch.
- 250 students attended **information sessions and employer roundtables** from 57 organizations.

Leadership & Internship Opportunities

- 4-6 Peer Career Educators are students who receive 10 hours of training on resume writing/cover letters and career services and assist in the open hours (which continue to gain popularity)
- The **College Enhancement Internship program** is housed in the Career Center where 33 interns participate in an internship within 22 departments of the College completing project based work as well as participate in an on boarding program, 3 leadership trainings, written reflection and "Connections."

Internships & Recruitment

- The one year out survey, respondents reported spending 2-3 semesters in internships or other experiential opportunities.
- Over 250 organizations provided 3986 on campus student interviews in FY16. Over 500 organizations posted positions with 8,000 TCNJ candidates' resumes distributed. Employer development increased recruitment partnerships with AstraZeneca, JPMorgan Chase, Merck, Sobel, iCIMS, Intel, Seimens, Nayak, NDI, Whiting-Turner, NJ School Districts and One Simple Wish.
